Premium High Hide Flat-  
Wisconsin Homes White

hci product 8241 is a high quality latex paint and primer in one providing excellent coverage on interior surfaces and may be applied by roller, brush, or spray. This environmentally friendly paint provides excellent durability and is easy to touch up.

Wisconsin Homes White is specifically engineered  
by hci for exclusive use by Wisconsin Homes Inc.

During an industry standard scrub test (per ASTM D Resistance Tester), hci's Wisconsin Homes White retained its "no wear" status even after over 1,500 scrub cycles; comparatively a typical new construction product showed complete wear.

## **WET-SCRUB- RESISTANCE TESTER**

hci's Wisconsin Homes White is applied to the walls and ceiling in your new home, surrounding you with strength and durability that will last.
